### **Acti** | *Bar Stool*

Flexibility, is a great word to use when talking about the Acti range of chairs. There are so many colours, and a big choice of frames – mix and match to suit your needs. That frame, with this colour seat – any way you like. The Acti chair is able to fit into many different environments, training rooms, dining rooms, side chair....the list is endless

Flexibility is also built into the seat. The back will flex to allow to you to adopt different postures as you move around in your seat – this is especially handy for those occasions where you have to sit for long periods. – The Acti chair promotes Active sitting
