

24/7

The 24/7 range is anything but standard, designed to please and built to last. This range is hard wearing and suited to a variety of environments, in particular institutions, health and aged care and a variety of other environments where you need a generous size seat with a robust tubular frame. With the options of a beam seat, you can use this chair in open plan areas where strength and durability is a necessity.

range features:

- 4 leg powdercoat frame
- Contoured ply overlain by premium grade fire rated foam
- With and without arms
